# Naturally Inspired

Floor: Chamonix HCX05 Gray Rect. 12"x24"

A stone effect rich in meticulous fragments of various stones, sedimented and embedded in the material, allow nature to indirectly enter the living spaces.

Wall: Chamonix HCX01 Beige Rect. 12"x24"

A color palette with warm and cool shades makes it suitable for a variety of living styles. The Dark Gray color lends itself to recreating industrial-chic atmospheres; gray, the reference color of mountain stone, together with white become the protagonists of minimal and elegant habitats. The Beige color generates warm atmospheres and becomes an undisputed protagonist for outdoor spaces.
